### ***I Remember***

A huddle, a cheerleader's tear,  
and a sigh;  
The bonfire silhouetted on black  
evening sky.

The curtain, the theater's hush,  
and its stage  
An actor, alone, just about to  
engage.

Cameras, photos-both faded and  
bright;  
Of parties, and concerts, and  
some of prom night.

Some rhymes, and allusions, and  
good poetry  
In words that were written for  
posterity.

A painting with oils, a drawing with  
pen,  
An artist's memory of a place that  
he'd been.

Last summer and spring and deep  
white December  
With a treasuring smile on my  
face, I remember.

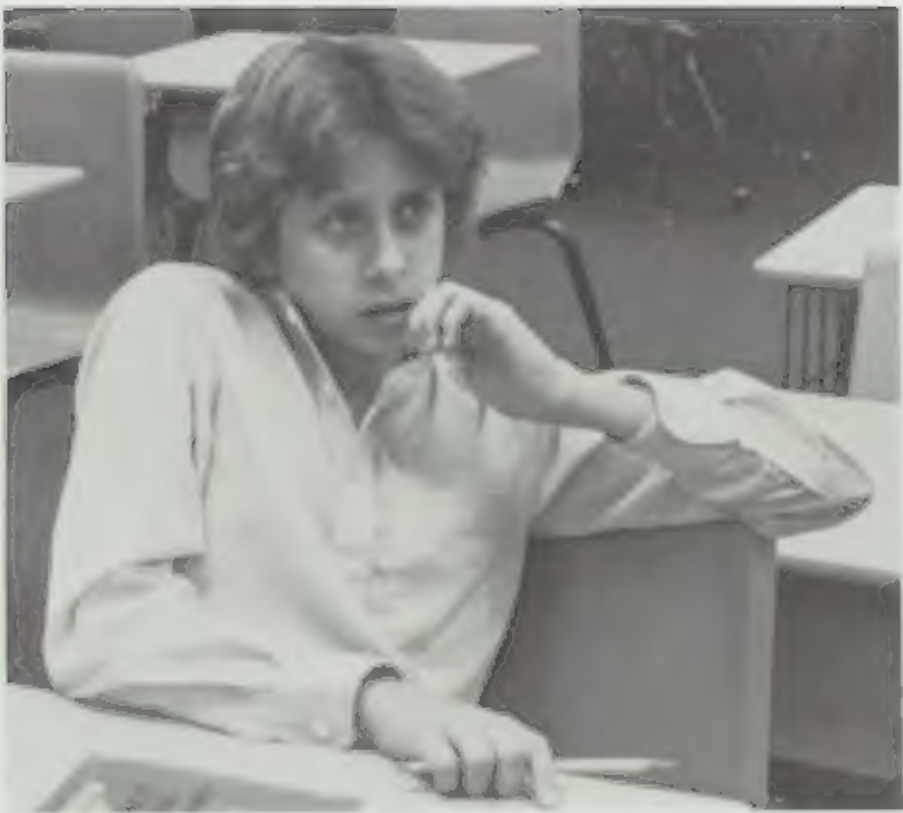

NK "81"

we fought in fury against each  
other  
yet we shared our happiest  
moments together.....

# KOLMAN & COPP STRIVE FOR DISCIPLINE

School is a never ending project for the teacher and student, but always a growing project. Milt Steinberg wrote

"One wears out his mind in study, and yet has more mind with which to study. One gives away his heart in love, and yet has more heart to give away. One perishes out of pity for a suffering world and is stronger thereby."

I state this as a means of describing the satisfaction in teaching and being a part of your past, present and future. There are untold challenges for your future, but the most important challenge is for today. Never, Never, Never, Never, Never, Give Up; it's your future. The future is not always bright, but only with your help can it be made better

Best of Luck

*Ernest L. Kolman*

The 1980-81 school year has passed quickly. Our accomplishments during this school year have been many and reflect the hard work put forth by our students and faculty. We have reached many of the goals set forth in August of 1980 and we will strive to enter the next school year with higher goals and great enthusiasm

By the end of the year most students were acquainted with at least one of the teachers pictured above. If not in their classes, surely through clubs or sports. Mrs. Franklin helped sponsor the cheerleaders this year, arranging pep rallies and helping with decorations. Ms. Tucker, Mr. Robichaud and Mr. Bice worked hard on pleasing the public with plays and concerts. Mr. Caldwell taught freshman English and world history. In addition he helped coach junior high football and high school girls basketball. Mrs. Treaster used her English and Spanish talents to help her sponsor the AFS Club.

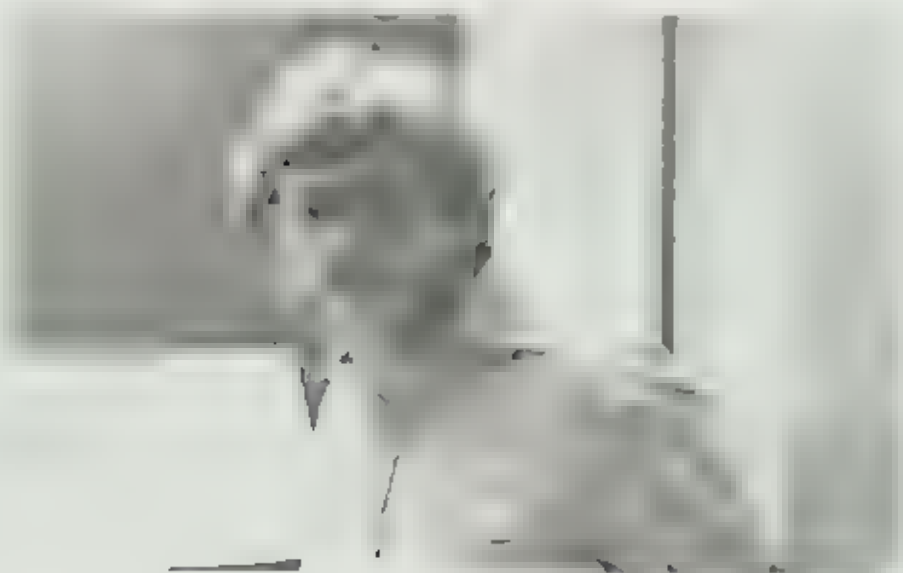

The teaching staff for 1981 dedicated much of their time to student activities, orchestra. Mr. Harbaugh, biology. Miss Struble. Mr. Cousland and Miss Peterson spent time helping the special education classes learn new skills. Mrs. Larson kept the library in hand and the joy of reading at everyone's fingertips. Mrs. Newcomer helped get the junior class through the hassles of prom.

The Beloit Jr.-Sr. High faculty not only stressed the basic education principles but sponsored extra curricular activities as well. Mr. Woelk spent much of his time sponsoring the junior class getting ready for prom and Science Club. Mr. Seirer dedicated himself as head football coach, freshman boys basketball and assistant track coach in 1981. Seirer also took on the responsibilities of athletic director of F.H.S. Mr. Smith's talents were demonstrated as head track coach and assistant boys basketball coach. Mr. Elder sponsored Art and Photo. He helped members ready for the annual Beloit Art Show. Mrs. Snyder, school nurse, sponsored Future Medical Careers in 1981. Mr. Piazza, state champion 4A wrestling coach in 1980, took his team all the way for another great year.

Mrs. Lee's time was spent meeting deadlines for newspaper and making sure the yearbook was out on time. Mr. Campbell decided to give the junior high girls' basketball team support by being head coach again this year. Randy Rippen assisted the B H.S. football team as junior varsity coach. Mr DeVore sponsored the Future Farmer Association Club

Mr. Hall spent much of his time keeping Stuco organized. He helped organize homecomings, school lunches, and backed student representation. Miss Johnson coached her girls' basketball team to a successful season. Mr. Harrison, government teacher, coached the girls track team. Mr. Williams junior class headquarters room was used for junior class meetings and the officers also. Music blaring, honking at every other car. Driving a little too fast in the family Cadillac. While nine or ten people try to cram inside. Laughter, craziness, high spirits. **HARD WORK, PERSONALITY, AND AMBITION** make this years JUNIORS truly **THE CLASS WITH CLASS!**

Junior-Senior Prom was the main concern on every junior's mind this year. The thought of only starting with \$140.26 made the junior class wonder if there was even going to be a 1984 Prom! Worse yet was the thought of being mauled by the over-confident senior class if we didn't have one.

The juniors started with the year's annual big money raising project, the junior class soup supper. Disappointed by the poor turnout, the class was again faced with the question "Will we have a Prom?" The officers met again with their sponsors to try to come up with one last final money making project to get the class back on its financial feet.

Seemingly the luck of the junior class had changed for the better with the success of the fruit sale. The money needed had been made in the short time of a week. The hard work showed that juniors work best under pressure and could throw the best Prom ever at B.H.S.

With all the problems faced by the juniors of 80-81, responsibility and dedication finally prevailed to make the 81 prom not only the best ever but to prove to all that this years juniors not only have shown they are THE CLASS WITH CLASS but that they have grown up to take on the responsibilities of young adults.

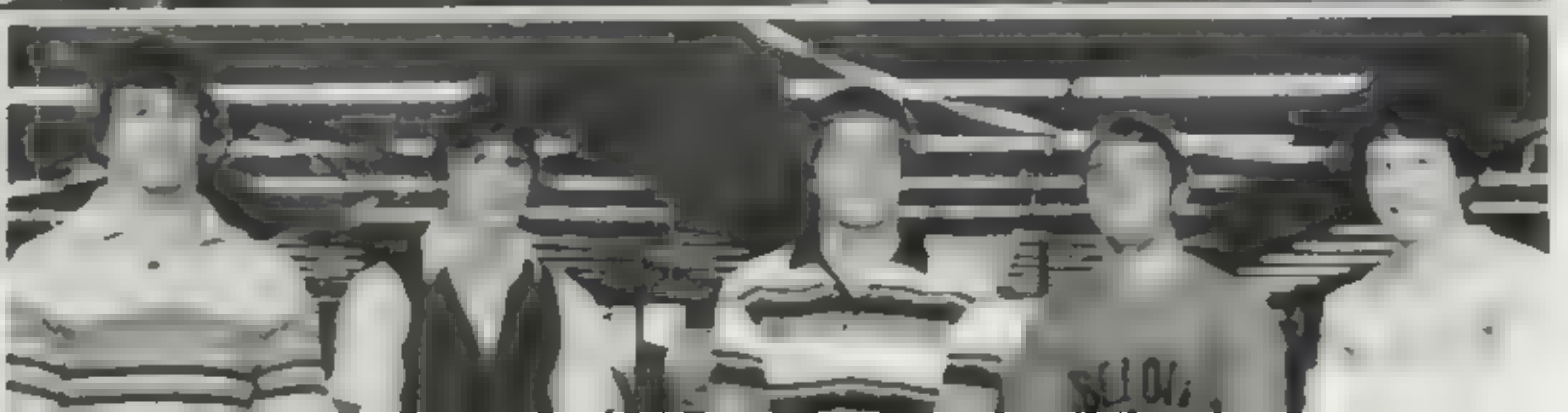

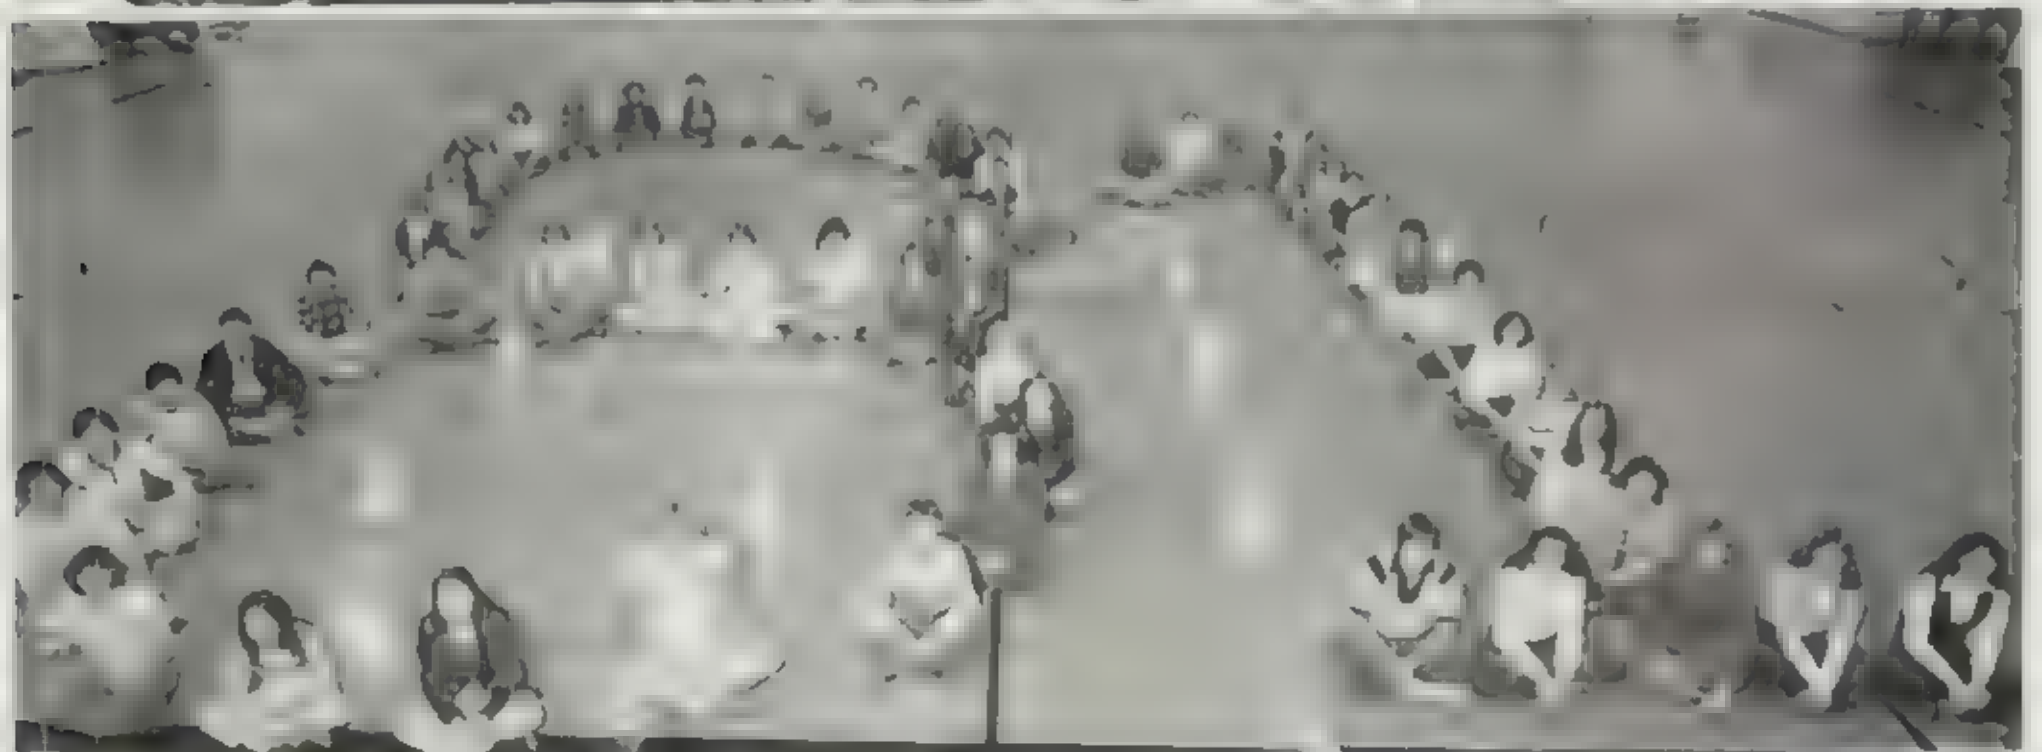

Our hats are off to you Juniors for a job well done.  
THANK YOU!

The graphic is white on a dark background, creating a strong sense of perspective. The text elements are arranged in a way that they form the texture of the road, with 'SENIORS' and 'OBDS' being the most prominent words. The Class of 1981 will always remember entering the Halls of BJSHS for the beginning and ending of their last year which every class member had awaited

On many different dates the ACT test was taken by many college bound seniors

Senior class sponsors helped to make the main money making project a total success. Class sponsors were Jacqueline Larson and Bob Harrison

Senior keys, announcements and memory books were ordered November 19. Class officers selected three choices; then all the members voted

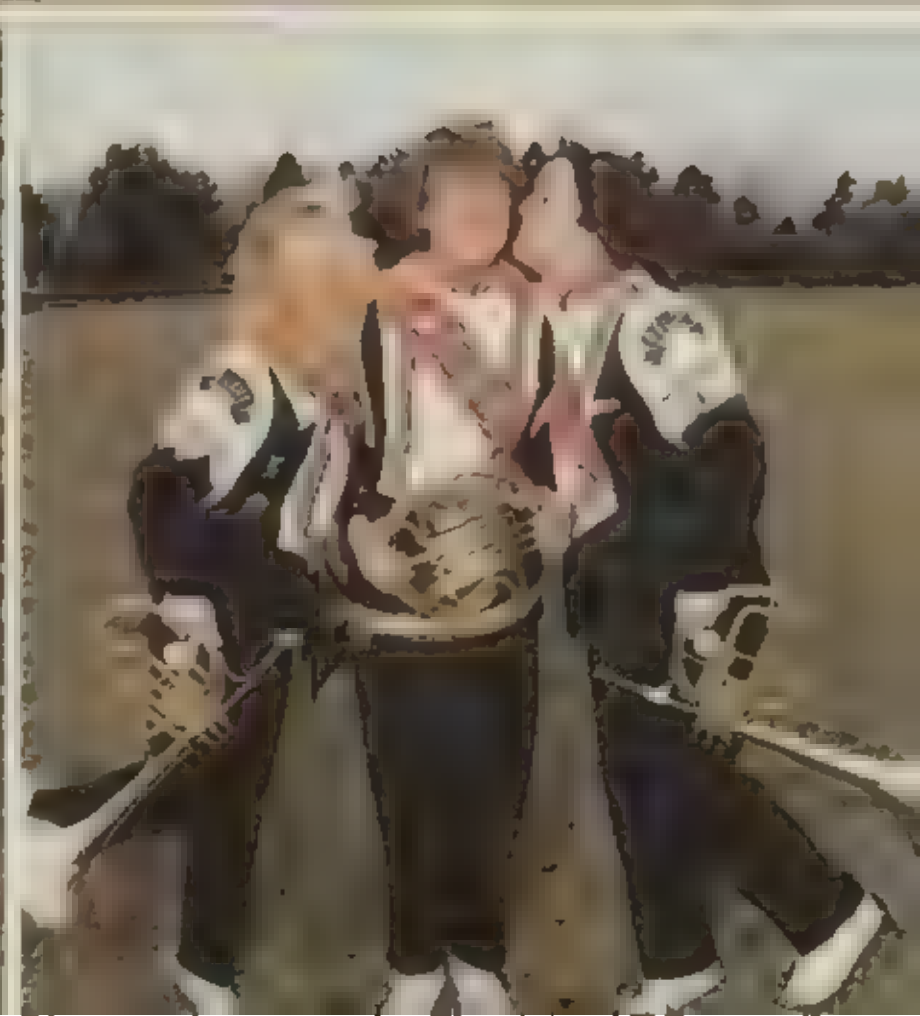

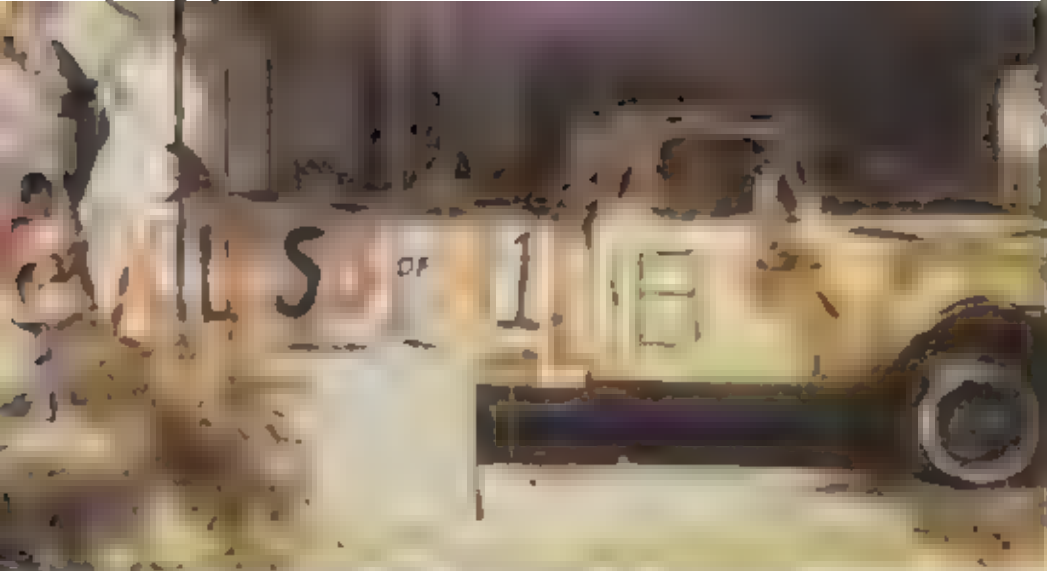

On November 29 Lisa File threw a Pre-Prom warming party. Many upperclassmen and their dates gathered for the occasion. The Senior Class hosted the Holiday Prom, at the American Legion Hall, from 9-12 "Showdown" was the evening entertainment; Jeff Plymire sang the theme song "One In A Milon You"

Juniors hosted the Spring Prom May 2 at the Legion. The banquet was held before prom in the commons area. "Natural Gas" provided entertainment for the evening

In the back of our minds we always knew that someday we would never come back

But it wasn't until we were walking down the aisle with our diplomas in hand that we realized that there would be no turning back

In the lower center of the image, there is a large, light-colored pyramid shape. This pyramid is composed of the word 'ATHLETICS' repeated many times, arranged in a way that creates a sense of depth and perspective. The word 'ATHLETICS' is written in a bold, sans-serif font. The pyramid shape is formed by two columns of the word, with the words in each column slightly offset from each other to create a three-dimensional effect. The overall composition is centered and balanced.

One of the first activities AFS Club participated in was a roller skating party at the Turquoise Roller Rink in Glasco, Kansas.

The club, which consists of about forty members, met at Mrs. Treaster's for a chili supper prepared by Mrs. Treaster. The group chowed down on delicious hot chili until about 6:30, when they all got in cars and headed out for Glasco. The skating party lasted from 7:00 to 9:00 and was a complete success.

# ANDREAS.....

AFS organized a money raising project around Christmas so Andreas and Tommy could call home and not have to spend their own money. So on Christmas, Andreas called Switzerland from the Hansens, his American family. It took him two tries to get through, but on the second try, his call made it. Andreas talked for 30 minutes before reluctantly saying good-bye.

At a later monthly AFS meeting, Tommy Seberank, of Yucatan, Mexico, and Andreas Glomen, of Bell, Switzerland, gave brief summaries of their life styles. The Club learned how different American life and customs from other parts of the world. Their way of life might seem very different and a little strange to us, but it is certain that Tommy and Andreas think out way of life is quite different too.

Tommy breaks from his studies on government to pose for a picture.

Cymbals are Tommy's specialty.

Like Andreas, Tommy got to talk to his family for 30 minutes. He called Mexico on Christmas from the Shumates, his American family. It took him two tries, also, to connect with his family. As he talked to them, he received a pleasant surprise. His parents mentioned that they were coming to visit him in Beloit.

Mr. and Mrs. Soberanis arrived on Friday, January 16, 1981. They toured the Youth Center, Sunflower Manufacturing, the High School, and of course, the town of Beloit.

The family was here from Merida, Yucatan, Mexico, until Monday, January 19. They enjoyed their stay very much and thought the town of Beloit was quite pleasant. The Soberanis family and the Shumate family have become very good friends. Mr. and Mrs. Shumate hope to be able to visit the Soberanis family sometime in the future.

# HARD WORK PAYS OFF FOR ART & PHOTO

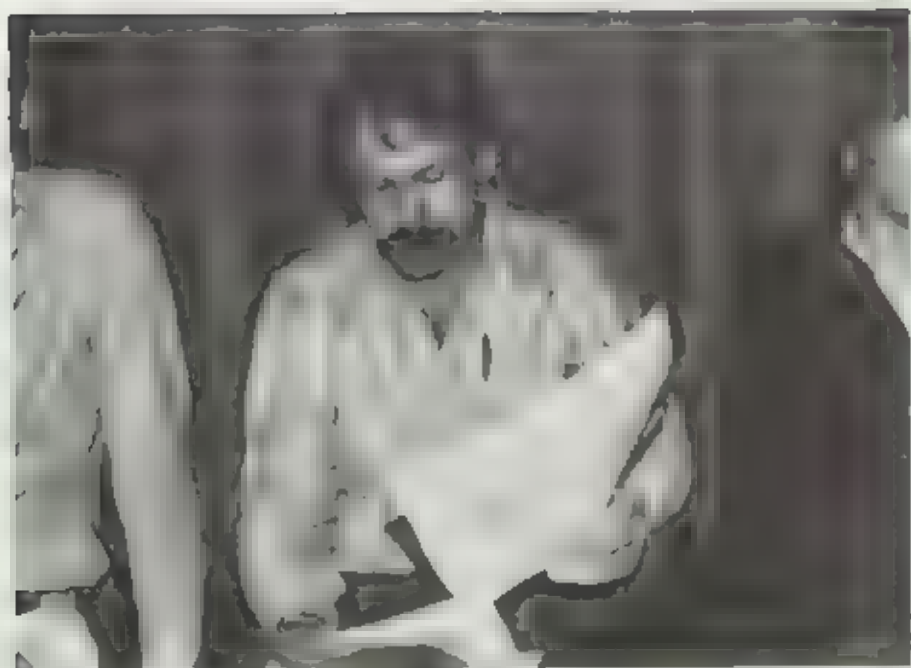

Hard work throughout the year paid off extremely well for the Beloit High School Art students. Good work from all areas of art were rewarded by metals, ribbons, certificates, and plaques. The Beloit art students attended several art shows like Minneapolis on March 18, 1981, Concordia on April 10, 1981, Hays on April 30, 1981, as well as our own on May 9, 1981.

Art & Photo Club dues were \$2.00 which was the major money making project. The club paid for a picnic in the fall of 1980. It was held at the park and many members attended. The senior members painted a Trojan head on the weight room wall.

The Beloit Art & Photo Club is strong and has many good years of talent ahead of them.

## Science Club Has The Time

This years Science Club was small but mighty and had its sights set on the sun as they designed and constructed a sun dial, which they donated to the school.

The sun dial, which of course was the major project, was rather expensive and the club had to have lots of concession stands and fairly high dues.

Other activities in which the club was involved included, attending the K-State engineering open house, and visiting a solar home in Concordia.

# SPANISH CLUB RECEIVES NEW NAME

[illegible]

Spanish Club was renamed this year. Members voted to be called "Los Alpinistas", which means "The Mountaineers". This new name represents the process of moving on to bigger and better things.

Before the Christmas break, Spanish Club held a Christmas party in the commons area of the high school. Gifts were set out on a table; then Linda Carrico handed them out to everybody. Each person who set a gift on the table received one

After the gift exchange, students gathered on the stage. Group members then tried to break the colorful donkey pinata which had been hung from the catwalk. Finally, Tommy Soberanis succeeded in breaking the pinata, scattering candy all over the stage to awaiting club members.

Many people enjoy the delicious food served at the Spanish Fiesta

Spanish Club held a Fiesta in the BHS Commons Area, on Monday, April 6, 1981. Those who entered were greeted by Anita Dillner and Andreas Gilomen who were selling raffle tickets for 50¢. People who bought a ticket received a piece of bubble gum. Spanish Club raffled off a Spanish hat and pinata. Mrs. Evelyn Warburton won the pinata, and Joni Heiman won the hat.

The commons area was decorated with colorful crepe paper and balloons. Tables were set around for people to eat on. The concession stand served tacos, burritos, and the famous delicious sopapillas.

Spanish novelties for sale consisted of flowers, posters, cookbooks, hats, maracas, pinatas, and buttons. For the children there was a "Go Fish" booth. They received bags with such treats as candy, gum, buttons, stickers, and toy cars.

The Fiesta attracted many people, and was a big hit with parents, teenagers, and children. Mrs. Sharon Treaster and the Spanish Club were the sponsors. They raised 200 dollars which they are going to use to adopt an orphan from Mexico.
